

# QUIGLEY CREEK OPERATORS

**System: Ranchview Estates**

**Date: 10/17/2024**

**Water usage:**

The total domestic water usage for the month of September was 466,742 gallons for an average flow rate of 15,558 gallons. This is a slight decrease in usage from August but is very consistent with previous years.

The total flow through the irrigation system for the Month was 5,281,714 gallons for an average daily flow of 176,057 gallons. This is a decrease in usage from last month by 31,000 gallons per day with a sharp drop around the middle of the month which is very good to see after the hot summer.

**Projects:**

The lead and copper inventory report was reluctantly completed and submitted to DEQ.

**Sampling:**

All monthly sampling completed without issue.
